

A woman with long dark hair, wearing a light-colored straw hat with a wide brim and a large feather. She is looking back over her right shoulder towards the camera. A blue magnifying glass icon is superimposed over her face, centered on her eye. The background is a warm, orange-toned interior space.

Diagram illustrating the extraction of RGB channels from a 6x6 pixel grid. The grid is divided into three overlapping 4x4 regions, each representing a color channel (Red, Green, and Blue). The values shown are the intensity of each pixel in that channel.
